"The Klansman" is described as the official publication of the National Knights of the Ku Klux Klan.

The National Knights of the Ku Klux Klan, Incorporated, (NKKKK), a consolidation of various klan groups, was granted a charter in De Kalb County, Georgia, in November, 1963. The NKKKK was chartered as a patriotic, secret, social, and benevolent order; however, in December, 1963, the NKKKK issued a statement of its program which indicated the organization to be anti-Negro, anti-Jewish, anti-Catholic, and anti-foreign born. The NKKKK and its affiliate groups purportedly promote white Christian Americanism and combat communism. An annual NKKKK rally and cross burning has been held on Labor Day Weekend in Stone Mountain, Georgia, on the property of NKKKK Imperial Wizard Jmaes R. Venable.

Referenced letter enclosed two news articles which appeared in two Chicago newspapers. One of these articles (which appeared in the Chicago Defender 5/24/76) stated that "35 members and supporters of the Ku Klux Klan gathered at the Ford City Holiday Inn, 7353 S. Cicero." It was also mentioned in this article that a Klan member stated that Klan membership was on the increase.

The other article (which appeared in the Chicago Daily News on 5/12/76) stated that a Unit of the NKKKK was formed on 1/10/76. A review of Bureau files to include Chicago FD-405 dated 4/5/76, revealed that the only Klan group reported by Chicago to be operating within the Chicago Division was the Aurora, Illinois, Chapter of the United Klans of America, Inc. (UKA). Membership in this group was estimated at five to six.

For the information of Chicago, the NKKKK is currently the subject of a full investigation which is being conducted by the Atlanta Division. It would appear from the above articles that the activities of the Illinois NKKKK involve or will involve the use of force or violence and involve or will involve the violation of Federal law, for the purpose of depriving persons of their civil rights under the Constitution, laws, or treaties of the United States.

If not already done, Chicago should initiate a full investigation of the NKKKK as it exists within Chicago's territory. This investigation should be handled in accordance with guidance set forth in the Attorney General Guidelines for Domestic Security Investigations (AGG). Appropriate reporting rules as set forth in the Manual of Instructions, Volume 4, Section 122 should be followed.

In line with the above, preliminary investigations should be opened on the leaders of this Klan group to determine if their activities would warrant full investigation.

Chicago is referred to Bureau airtel to Albany and all offices dated 5/21/76, captioned "Attorney General Guidelines for FBI, Information-Gathering and Retention Policies; Domestic Security Investigations." It is noted in this communication that the Atlanta Office is scheduled to submit a summary concerning NKKKK activities nationwide, to reach the Bureau by 9/6/76. This summary will eventually be forwarded to the Department of Justice. Chicago should, therefore, insure that a communication reaches Atlanta prior to that date setting forth the organizational activities and strength of the NKKKK group within your territory.

NOTE:

Above necessary to insure that Chicago is conducting a full investigation of the NKKKK within its territory in accordance with the AGG. The NKKKK is currently the subject of a full investigation by the Atlanta Office as well as other offices which have chapters of this organization. It is important that Chicago furnish a summary of the activities of this group to Atlanta prior to 9/6/76, when justification for continued investigation of this organization is to be submitted to the Bureau for review and forwarding to the Department. It should be noted that [] has been discontinued as an informant by the Chicago Division.

ReBuairtel to all offices, 5/21/76, captioned
"ATTORNEY GENERAL GUIDELINES FOR FBI INFORMATION-GATHERING
AND RETENTION POLICIES" "DOMESTIC SECURITY INVESTIGATIONS".

For the information of the Bureau, investigation
regarding captioned organization was terminated by the
Cleveland Division with the submission of a comprehensive
insert to the Office of Origin, Atlanta, on February 20, 1976.

The following is an analysis of captioned organization:

The Kleveland Klan was expelled from the NKKKK Realm
of Ohio by [redacted] for the State of Ohio,
in May, 1974, and since that time, the Kleveland Klan has
petitioned for and received from JAMES VENABLE, Imperial
Wizard of the Klan, a national charter. Under the provisions
of the national charter, the Kleveland Klan has no Grand Dragon,
state charter, or state board and is answerable only to the
Imperial Wizard. The Kleveland Klan is under the leadership
[redacted] has been ineffective as a leader
since the Kleveland Klan is still disorganized, has no specific
meeting place, and has not held any rallies, demonstrations
or membership drives since inception. There has been
considerable friction and internal dissension between [redacted]
and other Kleveland Klansmen over [redacted] refusal to give
a full accounting for the dues collected. This has led to a
reduction in the size of the chapter and, presently, there
are only approximately six active members including officers.

It is further noted that even though several members of this chapter have been arrested by local authorities on various charges including Carrying a Concealed Weapon, Aggravated Menacing, Fighting and Drunkenness, their actions have mainly been directed at fellow Klansmen. The Kleveland Klan has never been known to use acts of violence, intimidation, or terrorism against any social, religious, or ethnic groups.

It is further noted that the Bureau carries captioned organization under Bufile 157-32937; however, there has never been any indication that this group has been anything ever than a chapter of the NKKKK. The Bureau is requested to consider consolidating Bufile 157-32937 into Bufile 157-168, OO: Atlanta.

Referenced letter advised that the Pittsburgh Office was placing captioned investigation in a pending inactive status until such time as authority is received from the Department of Justice for continued full investigation of this organization. This action is inappropriate and not in accordance with instructions set forth in Bureau airtel to Albany and all offices dated 5/21/76, captioned "Attorney General Guidelines for FBI Information-Gathering and Retention Policies."

Above Bureau airtel specifically states that the Office of Origin (Atlanta in this case) is responsible for the preparation of a summary LHM concerning the activities of the organization nationwide. Upon submission of this summary the investigation should continue unless advised to the contrary by the Bureau. Based upon this, Pittsburgh should maintain its investigation of the NKKKK in a pending status until such time as your office is advised of the Departmental decision regarding captioned group.

Referenced communication advised that the Mars Hill Unit of the North Carolina Knights of the Ku Klux Klan (NCKKKK), had recently become affiliated with the NKKKK. It was estimated that the membership of this group totals between 30 and 40 members. The Bureau notes that the Mars Hill Unit has been under investigation for some time concerning its affiliation with the NCKKKK.

For the information of Charlotte, it will not be necessary under these circumstances, to open a separate preliminary investigation on the Mars Hill Unit's new affiliation with the NKKKK.

The NKKKK is currently the subject of a full investigation of which the Atlanta Office is Origin. Therefore, the full investigation of the Mars Hill Unit is justified under the Attorney General Guidelines for Domestic Security Investigations.

In the future it will not be necessary to report to the Bureau on the routine activities of this Unit under a separate caption as has been done in referenced communication. For the information of the Bureau, the Charlotte Office has previously conducted investigation concerning the Mars Hill, N. C., Unit of the North Carolina Knights of the Ku Klux Klan (NCKKKK). It was determined through a source of the Charlotte Office that the Mars Hill unit had left the NCKKKK during early 1976. This same source advised that the Mars Hill Unit may have joined the National Knights of the Ku Klux Klan (NKKKK) under the leadership of ROBERT VENABLE from Stone Mountain, Ga.

[redacted] of the unit, reportedly had also been in contact with [redacted] from member of the Invisible Empire, Knights of the Ku Klux Klan, Realm of South Carolina.

On 4/19/76, [redacted] Mars Hill, N. C., was interviewed and advised that he was no longer a member of the Mars Hill Unit and he believes this unit is now associated with the NKKKK. He estimated the membership of this group as between 30 and 40 members.

Information has also been received that an individual has been representing the the NKKKK from Georgia and visited the Mars Hill, N. C., Unit and it is believed this individual is JAMES R. VENABLE from Stone Mountain, Ga.

At the present time one source has been developed who may be in a position to furnish additional information concerning the activities and propensity towards violence of this group. This source was only recently developed. Charlotte is instituting preliminary investigation to evaluate propensity toward violence of this group and the results will be furnished to the Bureau.

Referenced airtel advised among other things, that the only active Klan organization operating within the Philadelphia Division is the Bucks County Klavern (BCK). It was stated that this Klavern pledges no allegiance to any national Klan group nor does it pay any national Klan dues.

There is no indication in referenced airtel that this group is involved in activities which would warrant investigation under the Attorney General Guidelines for Domestic Security Investigations (AGG). It was stated that regular meetings of this group are mostly "social" in nature and that rallies can best be described as "picnics."

In the event Philadelphia possesses additional information which would dictate to the contrary, this matter should be placed in a closed status.

Information is not to be accepted from informants concerning the BCK unless that information pertains to specific extremist, subversive, or criminal activity in which we have an investigative interest. Information pertaining to criminal matters not within our investigative jurisdiction should be accepted and given proper dissemination.

Re Philadelphia airtels to Bureau 1/30/76 and 3/8/76 and Bureau airtel to Philadelphia 2/23/76.

In the referenced Philadelphia communications, Philadelphia expressed the opinion that continued investigation of the UKA and the NKKKK did not appear warranted. This opinion was based on the lack of participation by Klansmen in this division in any activities which violated criminal or civil rights statutes falling within the Bureau's jurisdiction. In addition, Philadelphia pointed out that the UKA and the NKKKK were not particularly well-organized nor did they have strong ties to their respective national organizations.

Since receiving the referenced Bureau airtel, Philadelphia has continued to follow these groups through informant and local and state police contacts and Philadelphia's opinion regarding continued investigation of these groups remains unchanged.

At the current time there is only one active Klan Klavern operating in this division. This unit is the Bucks County Klavern, KKKK (PHfile 157-4850) (BUfile 157-168). This klavern is a conglomeration of former members of the UKA, NKKKK, and various independent Klan groups. Informants advise that this klavern pledges no allegiance to any national Klan group nor does it pay any national dues.

The members of the Bucks County Klavern include most of the old-line Klan members from various parts of the Philadelphia Division territory, all of whom are well-known to this office. Regular meetings and occasional rallies are held by this klavern, all of which are covered by an excellent Philadelphia informant. Most of these meetings are strictly social affairs with little or no intelligence information discussed. The rallies that are held can best be described as group picnics.

PH 157-4850
157-341
157-2035

Although the Bucks County Klavern is unaffiliated, its members maintain contact with various Klan units around the country, specifically, the Independent Klan in New York State and the Klan group in South Carolina. Information regarding contact among these units is furnished on a continuing basis by Philadelphia informants.

After a thorough review of the Klan cases in this division, Philadelphia is placing the UKA file (PHfile 157-341) and the NKKKK file (PHfile 157-2035) in an RUC status.

Philadelphia file 157-4850, Bucks County Klavern, KKKK, will be maintained in a pending status and informant coverage will be maintained on this group. Philadelphia feels that in this matter it can best fulfill its responsibilities regarding coverage of Klan activities and membership.

Re Bureau airtel to Chicago 6/22/76 captioned as above, copy to Atlanta.

Referenced Bureau airtel instructed the Chicago Office to initiate an investigation of the NKKKK, as it exists within the Chicago Division, as well as to conduct preliminary investigations on any leaders of the NKKKK group in the Chicago area to determine if the activities would warrant a full investigation.

For the information of the Atlanta Division, the NKKKK does not have a functional organized group in the Chicago area at this time, nor at any time in recent years. There are no recognized accepted leaders of the NKKKK in the Chicago Division; however, [redacted] referred to below, has recently furnished information to Chicago news media representatives claiming he was [redacted] the Illinois Chapter of either the Knights of the KKK (KKKK) or [redacted] of the Illinois Chapter of the NKKKK.

Information received from established sources, as set forth below, who are in a position to be aware of the information furnished, all advised that the NKKKK in the Chicago area does not function in any conceivable

organized group and is limited to the solitary efforts of [redacted] to obtain news media coverage in his desire to recruit members for his organization. These sources all advise that [redacted] efforts have been futile and non-productive.

Chicago letter to the Bureau dated June 3, 1976, captioned [redacted] forwarded copies of two news articles, referred to below, regarding alleged activities of the Klan in the Chicago area.

Article one appeared in the May 24, 1976, issue of the "Chicago Defender," which is a Negro-oriented newspaper published at Chicago, Illinois. This article contained a statement attributed to [redacted] who is described [redacted] of the Illinois Chapter of the KKKK. The article indicated approximately 35 members and/or supporters of the KKK (specific Klan organization not indicated) gathered at Ford City Holiday Inn, 7353 South Cicero, Chicago, to fight a recently formed black patrol for the Chicago Lawndale-Marquette Park area. The article indicated members in the audience occasionally laughed at [redacted] racist remarks.

Article two, which appeared in the "Chicago Daily News Suburban Week," issue May 12 and 13, 1976, contained a statement attributed to [redacted] who is described as the [redacted] of the NKKKK, in which [redacted] claimed the NKKKK unit was formed on January 10, 1976.

Ill This news media article also contained comments attributed to [redacted] of the Civil Rights Division of the Anti-Defamation League of B'nai B'rith. [redacted] labeled the story (regarding [redacted] [redacted] allegation concerning the formation of an NKKKK group on January 10, 1976) as "ill advised because it is not news reporting with an eye to the organization's devious and destructive past, or its present miniscule membership, but rather a column written from the point of view of a Klan leader [redacted] who is seeking recruits."

CG 157-895

Chicago teletype dated June 1, 1976, contains information indicating [redacted] claims to function as [redacted] of the Illinois NKKKK. This information as [redacted] of the NKKKK at Illinois as well as all information set forth in news media concerning [redacted] activities in the NKKKK was furnished by [redacted] and by no other source. As indicated above, Chicago's established sources have repeatedly stated that the NKKKK, as well as the KKKK, does not now nor at any time in recent years have a functional or recognizable group within the Chicago Division.

Anchorage report dated August 10, 1973, by SA [redacted] EM - "WHITE HATE," as well as other communications, contain information indicating that [redacted] claimed association in Klan organizations during the period he was assigned as an [redacted] in Alaska in the early 1970 s and various Klan groups in various communities in Illinois since 1972 to the present time. As indicated, [redacted] has claimed leadership at various times to the United Klans of America (UKA), the Invisible Knights of the KKK, the KKKK as well as the NKKKK. Since August, 1975, [redacted] has made futile attempts to form a Klan group in Kankakee, Aurora, Cicero, Frankfort, Decatur, as well as Midlothian, Illinois. In each instance [redacted] would contact a "cooperative" news reporter and furnish information which appeared to be an effort on [redacted] part to obtain news media coverage in an effort to recruit members in the particular Klan group he was espousing at that time. As the Bureau is aware, all of [redacted] efforts have been futile to date.

Chicago letter to the Bureau dated December 16, 1975, captioned, "KLAN INVESTIGATIONS, EM - KLAN." set forth Chicago's analysis and recommendations regarding continuation of the investigation of Klan groups within the Chicago Division. As indicated, Klan activities within the Chicago Division at that time and to this date are

minimal. It would appear that there may be 40 or 50 individuals residing within the Chicago Division who may be sympathetic to the objectives of the KKK and may in the future participate in demonstrations in the event of mandatory school busing or similar activities which may initiate racial animosity. As indicated in Chicago letter of December 16, 1975, to the Bureau, no Klan members or sympathizers have been known to engage in any activities during the last eight or nine years which could conceivably be considered violent or within the purview of any federal statutes within our jurisdiction. As indicated, Chicago's recommendation on December 16, 1975, was that Klan investigations within the Chicago Division be restricted to maintain contact with established sources only. Chicago's recommendation as of this date would be identical for the same reasons as set forth in Chicago letter, December 16, 1975.

On October 2, 1975, an article appeared on page 6 of the "Chicago Daily News", a newspaper of general circulation published in Chicago, Illinois, which contained the following information:

A report of the Illinois Legislative Investigating Commission (ILIC) concerning Klan activities in the State of Illinois indicated that the investigation of Klan groups in Illinois suggested a collapse of organized functional Klan activities in the Chicago area as well as elsewhere.

News articles in the Chicago media made reference to the fact that the ILIC has been conducting extensive investigation regarding alleged Klan activities in Illinois pursuant to an Illinois Legislature resolution adopted on March 25, 1975.

[redacted] who has been engaged in conducting an investigation of Klan activities in Illinois advised on August 27, 1976, that an extensive investigation

b2
b7D
b6
b7C

of alleged Klan activities in Illinois for the past 18 months has determined that organized Klan activities in the State of Illinois, are so insignificant as to be practically non-existent.

This source stated that within the Chicago Division there are approximately six or eight active Klan members who reside in the Aurora, Illinois, area, who have been attempting to form a functional Klan group in recent years but have been generally unsuccessful. Source further advised that the NKKKK, KKKK as well as other Klan groups, with the exception of the Aurora group which is affiliated with the UKA, do not exist in Illinois as functional recognizable groups. Source stated that [redacted] has succeeded in getting several reporters to publish articles in the news media implying that the NKKKK is a functional organization in the Chicago area and that he [redacted] of the NKKKK. This source stated that these allegations, specifically the existence of a functional NKKKK in Illinois, are figments of [redacted] imagination. Source further advised that [redacted] is incapable of forming any group due to his inability to belong to any organization in which he is not the leader and the fact that no one will accept [redacted] as a leader of the group.

[redacted] who has furnished reliable information in the past and who is in a position to be aware of the information he furnishes, advised on August 24, 1976, that the NKKKK does not have a functional recognizable group in Illinois, nor is there any known leader of the NKKKK in Illinois despite the fact that [redacted] will tell anyone who will listen to him that he is [redacted] of the NKKKK in Illinois. This source advised that [redacted] has never had more than four individuals that would listen to him at any gathering, and none of the individuals that did attend his meetings had any desire to attend a succeeding gathering at which [redacted] was present.

[redacted] who has furnished insufficient information to determine his reliability, advised in early June, 1976, that he had attended a meeting at [redacted] residence in Midlothian, Illinois, on [redacted] at which time an individual from Indiana who claimed to be the Indiana leader of the NKKKK was in attendance. Source stated the alleged NKKKK Indiana leader administered the NKKKK oath to [redacted] and several other individuals. Source stated that [redacted] indicated at this meeting his desire to form an NKKKK group in Illinois. Source stated in early June, 1976, that other than the initial meeting with [redacted] on [redacted] no known activity has taken place on the part of the NKKKK in Illinois by [redacted] or anyone else.

[redacted] all having furnished reliable information in the past and acquainted with some Klan activities in the Chicago, Illinois, area have advised on a continuing basis that the NKKKK in Illinois does not exist as a functional recognizable group and that other than [redacted] claimed affiliation with the NKKKK, no other members are known to them to be associated with the NKKKK.

As indicated above, a review of Klan activities at Chicago and specifically alleged activities of the NKKKK in the Chicago Division would indicate that none of the members or sympathizers of the Klan are likely to engage in the use of force or violence that would involve a violation of federal law for the purpose of depriving persons of their civil rights under the Constitution, laws or treaties of the U.S.

Accordingly, Chicago is not conducting any further investigation of the NKKKK or any other Klan groups at this time. As noted in Chicago letter December 16, 1975, referred to above, Chicago continues to maintain contact with established sources and will accept any information indicating the possible violation of any federal statutes by a Klan member or sympathizer in the future. As previously indicated, it is felt Chicago sources are in a position to be apprised of any acts of violence or force which would be within the investigative jurisdiction of the FBI in the future, and the Bureau will be kept advised.

FBIHQ concurs with Atlanta recommendation that their investigation of the NKKKK be discontinued.

Information is not to be accepted from informants concerning the NKKKK as an organization, unless that information pertains to specific extremist, subversive, or criminal activity in which we have investigative interest. Information pertaining to criminal matters not within our investigative jurisdiction should be accepted and given proper dissemination.

With regard to those extremist informants who are presently reporting on NKKKK activities exclusively, consideration should be given to directing their coverage to individuals and organizations of present investigative interest to the FBI. Consideration should be given to converting these individuals to security or criminal informants, where appropriate. In the event an extremist informant who provides coverage exclusively on the NKKKK cannot be directed into other areas of interest, his services should be discontinued.

Re: National Knights of the Ku Klux Klan (NKKKK)

EM

157-168

NOTE:

The NKKKK is headquartered at Stone Mountain, Georgia, and has activity in eight states. The Atlanta Division advises that the membership of the NKKKK consists of old-time Klansmen who live in several states and travel yearly to a national rally held at Stone Mountain, Georgia. During the last five years, Atlanta notes that no information has been developed which would indicate that any member of the NKKKK has been involved in violations which fall within the FBI's jurisdiction. Atlanta, therefore, recommends that the investigation into the activities of this organization be discontinued.

 and captioned, "Attorney General Guidelines for FBI

The National Knights of the Ku Klux Klan
 (NKKKK) headquartered at Stone Mountain, Georgia, and
 headed by JAMES R. VENABLE, is in disarray. The
 group, which throughout its history, has been
 splintered by factionalism, and internal dissension
 has had a succession of individuals who have sought to
 succeed VENABLE. After a short stay in the
 organization these aspiring "Imperial Wizards" usually
 split from VENABLE, form their own klan group and
 then allege it to be the "one true klan". The
 biggest split occurred in the summer of 1975 when
 _____ of the
 Ohio NKKKK, broke away from VENABLE, with the
 support of 21 Grand Dragons. In reality he had only
 the support of 5. VENABLE called the 5 ignorant and
 with little intelligence. They called him senile.
 Nonetheless VENABLE lost the support of a considerable
 portion of his already small group, this being the
 NKKKK groups in North Carolina, South Carolina, Maryland,
 Pennsylvania and Ohio.

In evaluating the activities of the NKKKK as a national Klan Movement, it should be kept in mind that VENABLE exercises little or no control over his group outside the State of Georgia. Once he issues a charter to a group, the group functions entirely independent of him. He issues no directives or publications, does not visit or inspect the group, and they in turn pay him no dues. They each, in effect, function as independent Klan groups, for example the Independent Northern Klans of New York, and the Texas Fiery Knights of the Ku Klux Klan, both of which were originally part of VENABLE's organization but now are independent Klan groups. The only group of the NKKKK meeting on a regular basis is a group of seven klaverns located in northern Alabama and which broke away from the UKA in September. There has been no other NKKKK activity reported by any other division to the Atlanta Division.

In the State of Georgia, VENABLE has only one active klavern, this being his own klavern located at Stone Mountain. This klavern has eight to ten members, but the klavern has been wracked by internal squabbles and personality conflicts which have decimated the membership.

Atlanta sources have advised that VENABLE who is a lawyer with some degree of respect in the local community is a nonviolent man who will tolerate no violence in his organization and will expell anyone whom he considers a troublemaker.

RECOMMENDATION:

VENABLE who is aging and in poor health has no national organization to speak of. He has members who are old time Klansmen living in several states, who travel to his yearly rally held at Stone Mountain, but he has no large-scale movement.

During the last five years, sources of divisions reporting on this matter have developed no information to indicate any member of this group was

AT 157-60

involved in any violation of any law which falls within the FBI's investigative jurisdiction. Continued investigation into the activities of this group does not appear warranted at this time, and Atlanta recommends that investigation into this group be discontinued and the case closed.

THIS INVESTIGATION IS BASED ON INFORMATION WHICH INDICATES THAT A GROUP OF INDIVIDUALS ASSOCIATED WITH THE NKKKK ARE ENGAGED IN ACTIVITIES WHICH INVOLVE OR WILL INVOLVE THE USE OF FORCE OR VIOLENCE AND WHICH INVOLVE OR WILL INVOLVE THE VIOLATION OF FEDERAL LAW FOR THE PURPOSE OF INFLUENCING U. S. GOVERNMENT POLICIES OR DECISIONS AND WHICH WOULD IMPAIR THE FUNCTIONING OF THE GOVERNMENT OF THE UNITED STATES. IN ADDITION, ACTIVITIES OF THIS GROUP MIGHT DEPRIVE PERSONS OF THEIR CIVIL RIGHTS AS GUARANTEED BY THE CONSTITUTION AND LAWS OF THE UNITED STATES.

IF NOT ALREADY DONE, WFO IS TO PROMPTLY NOTIFY U. S. SECRET SERVICE, U. S. PARK POLICE AND THE METROPOLITAN POLICE DEPARTMENT CONCERNING THE FACTS IN REFERENCED TELETYPE.

[REDACTED] SHOULD BE PROMPTLY RECONTACTED AND INSTRUCTED TO IDENTIFY THE INDIVIDUALS INVOLVED IN THE PROPOSED DEMONSTRATION AS WELL AS ANY FACTS RELATING TO THE IMPLEMENTATION OF THEIR PLANS. THE BUREAU REALIZES THAT THERE ARE CURRENTLY NO INFORMANTS TARGETED AGAINST THE NKKKK. IN VIEW OF THIS, ALL LOGICAL INFORMANTS SHOULD BE CONTACTED FOR ANY INFORMATION PERTAINING TO THE ACTIVITIES OF THE NKKKK AS THEY WOULD RELATE TO THE DEMONSTRATION AND WHETHER THERE IS ANY INDICATION THAT ANY PARTICULAR GROUP IS THE TARGET OF THESE CROSS BURNINGS.

WFO SHOULD CLOSELY COORDINATE THIS MATTER WITH U. S. SECRET SERVICE AND U. S. PARK POLICE. PERTINENT INFORMATION PERTAINING TO THIS INVESTIGATION SHOULD BE PROMPTLY FURNISHED TO THE BUREAU IN TELETYPE FORM SUITABLE FOR DISSEMINATION.

NOTE:

Referenced teletype advises that the NKKKK plans a demonstration consisting of the burning of crosses in the vicinity of the Ulysses S. Grant Memorial, Washington, D. C., at 7:00 p.m. on 1/19/77. No further information available from the source of this information at the present time. The plans for this demonstration, if actually implemented, could impair the functioning of the Government relating to the inauguration of President-Elect Carter. In addition, the burning of Klan crosses in Washington could lead to civil unrest or rioting and might involve violations of civil rights statutes. Above serves to initiate a limited investigation to determine if in fact this demonstration will take place and whether the activities of the NKKKK will lead to violence or violation of Federal law. Information in referenced teletype was disseminated to the Department, U. S. Secret Service, U. S. Park Police and the Metropolitan Police Department. The Investigation Review Unit of the Department of Justice is being separately advised.
